Subj: FY00 COURSE CATALOG

1. This catalog is updated and published annually to provide opportunities to broaden knowledge and maintain certification for personnel of the fleet, Fleet Marine Force and shore activities in the Pacific operating area.

2. The courses are targeted to a variety of personnel. Preventive Medicine Technicians, Mess Management Specialists, Water Kings, Food Service Workers, Medical Department Representatives and Medical Officers would find many of the Preventive Medicine classes beneficial. Occupational Health courses are geared toward Safety Petty Officers, personnel responsible for monitoring potential environmental hazards, and Medical Department Representatives. The Pest Management training is directed to personnel requiring DOD certification.

3. Each of us is committed to assisting you in maintaining readiness standards through training, consultation, and technical expertise. We encourage your attendance and feedback.
